1 OVERVIEW

1.1 Purpose

- 1.1.1 The purpose of this Policy is to provide the framework for Coca-Cola Europacific Partners (CCEP) Australia to manage payment terms for small suppliers. This Policy has been implemented in response to CCEP Australia's voluntary commitment to the Business Council of Australia's Australian Supplier Payment Code and to ensure that small suppliers are not disadvantaged from longer payment terms. CCEP Australia recognises the importance of healthy cash flows for the small supplier community and their contribution to the overall success of our Australian economy.

1.2 Scope

- 1.2.1 This Policy provides the details on how CCEP Australia will manage their small suppliers through their small supplier programme (Programme), which has been implemented as a result of CCEP Australia's commitment to the Australian Supplier Payment Code. This Policy applies to suppliers to CCEP Australia's business (including Australian Beverages, Alcohol and Coffee, SPC, and Group Office) who meet the CCEP Australia definition of a 'small supplier' (as described in 2.2.1).
- 1.2.2 This Policy may be varied by CCEP Australia from time to time to be consistent with best practice for payment of small suppliers.

1.3 What is covered in this Policy?

- 1.3.1 General process and administration for suppliers to apply to participate in the Programme.
- 1.3.2 General principles and guidelines governing CCEP Australia's payment terms for eligible 'small suppliers' (as described in 2.2.1).
- 1.3.3 CCEP Australia's Governance and Compliance Reporting requirements for the Programme

2 SMALL SUPPLIER PAYMENT CODE

2.1 General Principles and Guidelines

- 2.1.1 The general principles and guidelines of this Policy are underpinned by the Business Council of Australia's Australian Supplier Payment Code (as found in this link [Business Council of Australia Supplier Payment Code](#)).
- 2.1.2 This Policy is designed to ensure that small suppliers are treated fairly and in the spirit of the Business Council of Australia's Small Supplier Payment Code.
- 2.1.3 CCEP Australia acknowledges the importance of providing complete and on-time payment particularly to small suppliers who may be more sensitive to cash flow movements.
- 2.1.4 Any supplier who meets CCEP Australia's 'small supplier' criteria (as described in 2.2.1 below) should apply to CCEP Australia to be considered for participation in the Programme. Eligibility for the Programme will be dependent on the supply of accurate information that demonstrates that the supplier meets the criteria outlined below in section 2.2.

2.2 Eligibility and Application

- 2.2.1 CCEP Australia defines a 'small supplier' as a supplier who satisfies **all** of the following small supplier criteria (**Criteria**):
 - a) Supplier has annual turnover in the last financial year of less than AUD 10m (exceptions may be applied for a supplier whose business is part of a consolidated group of companies, in which case a supplier should apply for an exception to the general policy position outlined in this Policy at the time of applying for a small supplier status – see also 2.2.2 below); AND
 - b) Supplier has fewer than 20 employees (defined as the number of people that provide labour services to the organisation regardless of the employment status of employees being casual, permanent or part time)
 - c) A supplier who can demonstrate in its application (see section 2.2.3 below) that they satisfy all of the above Criteria can apply to be participate in the Programme.
- 2.2.2 CCEP Australia will consider exceptional circumstances and any other documentation that the supplier includes as part of its application. CCEP Australia may in its absolute discretion allow a supplier to be part of the Programme on these exceptional circumstances.
- 2.2.3 To apply to participate in the Programme, a supplier must:
 - a) Complete the application form with the accompanying statutory declaration (Appendix 2) signed by an authorised business signatory, for example the MD, CFO or equivalent senior officer or company director.
 - b) Submit the completed application form via email to the following address: sscode@ccamatil.com
- 2.2.4 CCEP Australia reserves the right to verify the information provided in a supplier's application through its own internal and/or external practices. CCEP Australia also reserves the right to request more information at any time from a supplier until it is satisfied that a supplier meets the required Criteria to CCEP Australia's satisfaction.

2.3 Approval and application of the Policy

- 2.3.1 If a supplier is determined by CCEP Australia to be eligible to participate in the Programme, the supplier will receive email confirmation from CCEP Australia confirming their acceptance. CCEP Australia endeavours to let suppliers know whether they have been accepted to participate in the Programme within 30 days of CCEP Australia receiving a fully completed application that complies with this Policy.
- 2.3.2 Suppliers determined by CCEP Australia to be eligible to participate in the Programme will have their payment terms updated automatically in the CCEP Australia system to reflect that the payment terms with that supplier will be 30 days from the date of receipt of a validly issued tax invoice by CCEP Australia or the provision of the relevant goods/services, whichever is later. These new payment terms will be applicable to invoices raised after the date of the supplier's confirmation of acceptance into the Programme issued by CCEP Australia. All other terms and conditions relating to the arrangement between CCEP Australia and the eligible supplier will not be affected.
- 2.3.3 Suppliers must inform CCEP Australia should their status change and they cease to satisfy any of the Criteria.
- 2.3.4 CCEP Australia also reserves the right at any time to audit any small supplier participating in the Programme for the purposes of ensuring they satisfy the Criteria and are complying with the Policy. If CCEP Australia determines that a supplier no longer satisfies any of the Criteria or the supplier otherwise does not comply with this Policy, CCEP Australia may notify the supplier that it is no longer eligible to participate in the Programme and move such supplier back to CCEP Australia's standard payment terms.
- 2.3.5 Suppliers who qualify to participate in the Programme and obtain the benefit of the new payment terms (as described in 2.3.2 above) must use the relevant CCEP Australia Purchase Order process and ensure that their invoices quote Purchase Order numbers.
- 2.3.6 Suppliers must also provide the electronic means of payment together with correct banking, invoice and contact details in order to remain part of the Programme.

2.4 Compliance and Reporting

- 2.4.1 As mentioned in 2.3.4 CCEP Australia reserves the right to audit any small supplier participating in the Programme for the purposes of ensuring they satisfy the Criteria and are complying with the Policy. If CCEP Australia determines that a supplier no longer satisfies any of the Criteria or the supplier is otherwise not compliant with this Policy, CCEP Australia may notify the supplier that it is no longer eligible to participate in the Programme and move such supplier back to CCEP Australia's standard payment terms.
- 2.4.2 CCEP Australia will work with the Business Council of Australia to provide compliance reporting to ensure that it continues to meet the requirements of the Code. In conjunction with this, CCEP Australia may disclose information regarding its suppliers (including the information provided by suppliers to CCEP Australia as part of the Programme) to the Business Council of Australia.
