

ACTION ON SOCIETY (COMMUNITY)

Mentor (Sweden)

In Sweden we support Mentor, an organisation that gives young people aged between 13 and 17 vocational support through mentoring. In 2018, our volunteers continued to donate their time to helping to inspire young people to find work. This included visits to upper secondary schools, where pupils had the chance to talk to volunteers about their work at CCEP. We also host workshops on topics such as CV writing and networking.
