I hereby confirm that our company qualifies as an SME and therefore meets at least two of the following legal requirements in accordance with Article 6:119a paragraph 6 of the Dutch Civil Code and Articles 2:395a to 2:398 of the Dutch Civil Code:

1. Value of assets according to balance sheet does not exceed €20,000,000;
2. Net turnover for financial year does not exceed €40,000,000;
3. Average number of employees during the financial year is less than 250.

The above is supported by the following documentation:

1. Most recent financial statements showing compliance with the above requirements, signed by a duly authorized person;
2. An official document describing the company's workforce (including employees, seconded persons, owner-managers and partners), signed by a duly authorized person;
3. A signed copy of this application form

I further understand that, if the application is accepted, the Small or Medium Supplier (SME) status entitles our company to an exception to CCEP's standard payment terms, where a shorter payment term of 30 days is applicable. If the above criteria are not met, appropriate documentation is not provided or if no response is given to this application, CCEP's standard payment terms will be applied to all purchase orders forwarded.
